Mr. Bill Neichten, Esq.
1313 Lyndon Lane
Suite 115
Louisville, Kentucky 40222

Dear Mr. Neichten:

This is to acknowledge and thank you for the gift copies of six works by Harold Weisberg, arguing that the assassination of President Kennedy was a conspiracy that was never properly investigated. We greatly appreciate your consideration in making this gift material available to us. These works are certainly welcome additions to our holdings.

Gifts such as yours enrich our collections and enable us to better serve the University community. Thank you for your support of the Libraries.

Sincerely,

Karen T. Ellenberg
